

DR. SIMON MESSNER

**Executive Vice President
Performance Management &
Innovation and member of Group
Executive Management**

Simon Messner, German, has been appointed Executive Vice President for Performance Management & Innovation and member of the Group Executive Management of Swissport International AG as of 1 January 2019.

Simon joined Swissport in 2010 as Vice President Global Operations and was leading the Group's operations & quality department.

He became Vice President Europe, Middle East, Africa and Latin America in January 2013 and took over the responsibility for operations as well as health and safety topics.

In September 2015, Simon was promoted to Senior Vice President Europe, responsible for operations in Ground Handling, Cargo Handling and all other product lines of Swissport in twelve countries across Europe.

Prior to joining Swissport, Simon was with McKinsey & Company as Associate Principal, focusing on the transportation, airline and logistics service industries.

Simon graduated from Wayne State University in Detroit and holds a doctoral degree from Universitat Autònoma de Barcelona on Financial Market Efficiency.
