

KAREN COX
Head of UK & Ireland
Swissport International AG

Karen Cox was appointed Swissport International AG's Head of UK & Ireland on 1 April, 2023, and reports directly to the CEO.

Karen initially joined Swissport as Director of Global Operations and Safety in October of 2021 and was responsible for strengthening Swissport's global operations team and driving the company's transformation program.

Karen comes to Swissport from easyJet, where she worked for 18 years and held a variety of senior-level roles, including Director of Ground Operations and Customer Management Centers. She has a proven track record in managing safety, controlling costs, and exceeding operational and customer targets. Having managed teams across all major European countries as well as South Africa and India, she also brings excellent people leadership skills.
