

SWISSPORT DUS CARGO SERVICES AT A GLANCE

Our customers benefit from the industry's widest single-source service portfolio. Swissport handles their air cargo with consistent service quality, the highest levels of safety and globally standardized procedures.

OUR SERVICES

We offer a wide range of services. These include general cargo and special shipments, e.g. high value or temperature sensitive products, like pharmaceuticals and perishables.

- GEN
- XPS
- DGR
- ICE
- HUM
- Pharma
- Mail as cargo only
- VAL
- VUN

"This joint venture represents how we intend to partner with airports to strengthen their ground services and cargo handling offerings. Swissport is an ideal joint venture partner due to its global network and industry-leading digitalized processes."

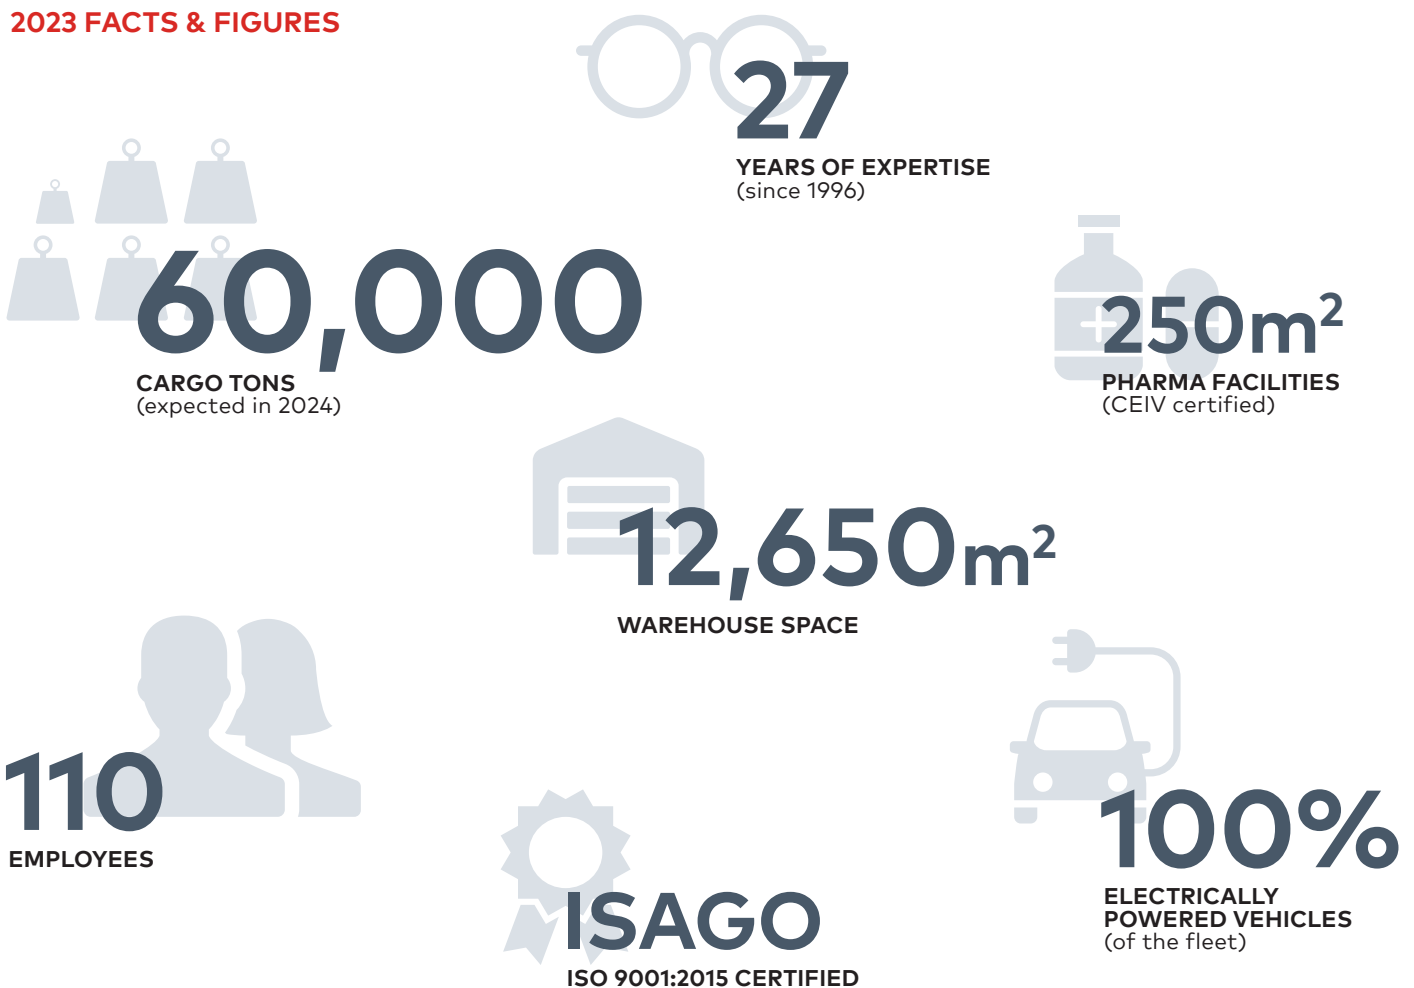

Stephan Manigk – Commercial Director
Swissport Cargo Services

OUR COMMITMENT

- We make it happen. From landing to take-off.
- Based on its high training standards, Swissport is able to meet individual customer needs – friendly, competent and with tailor-made services for every airline.
- We strive to fulfill the highest customer expectations in terms of service quality and efficiency. Above all stands our commitment to an unconditional safety-first culture.
- Swissport takes an individual approach with each customer, working closely in partnership to set up the best possible customer experience.
- As a signatory to the UN Global Compact (2011), Swissport is committed to environmental care, the protection of human rights, compliance with labor standards and the fight against bribery and corruption.
- Swissport invests continuously in the digitalization of its air cargo business to handle air cargo efficiently and intelligently. Innovations such as the cargo app, driverless transport systems, speed cargo, artificial intelligence, kiosks, door management systems, slot booking and Bluetooth ULD tracking give Swissport an advantage to process air freight competitively.
